Venugopal Kappa		

- It was noted that members of our community from different states participated in this meeting:
 - Telangana – 11
 - West Bengal – 3
 - Andhra Pradesh – 3
 - Chhattisgarh – 1
 - Karnataka – 1

Points Covered

The meeting was started at 7:30 pm with some introductions of members present.

Session on Health care in Hoemo medicine:

Later Mantri Lalitha of Dr. Positive Homeocare Clinic had introduced Dr. AAS Satish Kumar, the founder of the Dr. Positive Homeocare Clinic in Visakhapatnam. Introducing himself to the audience, he had narrated his prolific experience in Dr. Batra's Positive

Health Clinic as senior consultant. He specializes in acute as well as chronic ailments, especially allergic bronchitis, asthma, arthritis, migraine, hair fall, irritable bowel syndrome, skin diseases, piles, musculo–skeletal disorders, children’s diseases, digestive problems, genito–urinary disorders and gynecological disorders, among others.

Answering questions raised by members, he explained the health problems being faced by software professionals and narrated how homeo medicine coupled with small exercises would prevent and reduce the pains of software engineers. He honestly stated that the result of the treatment is dependent on the stage at which the patients consult the doctor. He dispelled the myths that homeo enhances the disease initially and then starts working in elimination of the problem from root level. He said “it is a myth and it happens in very rare cases”. According to him, homeo has solution for all problems, but relief is slower as it addresses the problem at root cause.

Dr. Satish Kumar had happily announced 20% discount on all his treatments. He also informed that his wife, Dr. Anuradha is also homeo doctor. Their main clinic is situated in Pothina Mallayyapalem with clinic branches at Madhurawada and Dwarakanagar. Consultation is also done online through video call and medicines are sent through courier across the globe. Mantri Lalitha can be contacted on mobile 7013705205 for connecting to Dr. Satish Kumar through video/audio call.

Session on English language:

Later, as per agenda, Mantri Narasimha Rao informed the house that separate sessions are being started shortly for (a)on learning English for communication (b)English for competitive examinations. This activity is a part of skill development initiative. In this connection, he explained with some examples how we commit mistakes by ignorance. He also stated that writing skills varies from news writing to communication by letters. Similarly, an article writing on any subject is different from writing a story in Chandamama, a colloquial language. He suggested the parents to make habit of reading news and Chadamama stories and writing the same without seeing the text that was read.

There was referral discussion on website development, business community platform, skill development, vivaha vedika and data collection. Mantri Narasimha Rao said that he is trying to have academic counselling session for II Year Intermediate (CEC/MEC) students as what are the courses available to pursue.
